

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen Gavin
DOCKET NO.: 22-39073.001-R-1
PARCEL NO.: 02-26-112-003-0000

The parties of record before the Property Tax Appeal Board are Kathleen Gavin, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,007
IMPR.: \$25,877
TOTAL: \$32,884

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,122 square feet of living area. The home is approximately 59 years old. Features include a crawl space foundation, central air conditioning, one fireplace, and a 3.5-car garage. The property has a 10,010 square foot site and is located in Rolling Meadows, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-78 dwellings of frame exterior construction ranging in size from 2,202 to 2,529 square feet of living area. The homes range in age from 40 to 62 years old. Two comparables each have a full or partial basement and three comparables each have a slab

foundation. Three comparables each have central air conditioning. Each comparable has one or two fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$13,631 to \$30,023 or from \$6.19 to \$11.88 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$19,713.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted the board of review final decision disclosing the total assessment for the subject of \$32,884. The subject property has an improvement assessment of \$25,877 or \$12.19 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,029 to 2,254 square feet of living area. The homes range in age from 54 to 60 years old. Three comparables each have a partial basement and one comparable has a slab foundation. Each comparable has central air conditioning and a 1-car or a 2-car garage. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$27,774 to \$30,994 or from \$12.32 to \$15.28 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, and #5 which are less similar to the subject in age and/or dwelling size than other comparables in this record. Further, the appellant's comparables #1 and #2 lack central air conditioning, which the subject features.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and the board of review comparables which are overall most similar to the subject property in location, design/class, age, and dwelling size with varying degrees of similarity in foundation type and other features. The best comparables have improvement assessments ranging from \$21,867 to \$30,994 or from \$9.70 to \$15.28 per square foot of living area. The subject's improvement assessment of \$25,877 or \$12.19 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment based on inequity is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
