

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Megan Romero
DOCKET NO.: 22-39163.001-R-1
PARCEL NO.: 17-08-119-012-0000

The parties of record before the Property Tax Appeal Board are Megan Romero, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,288
IMPR.: \$59,712
TOTAL: \$78,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 128-year-old two-story dwelling with 2,700 square feet of living area of frame construction. Features of the home include a full basement, central air conditioning, a fireplace and a 2.5-car garage. The property has a 3,048 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables have the same neighborhood code as the subject property, but the appellant did not specify the distance of the comparables to the subject property. The comparables are 132- to 144-year-old class 2-11 two-story residences with frame construction. The comparables were sold between October 2019 and

February 2022 for sale prices between \$505,000 and \$635,850. The comparables have sale prices per square foot between \$135.29 and \$189.29. The appellant is requesting a total assessment of \$43,673.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,000. The subject's assessment reflects a market value of \$770,000 or \$285.19 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables are located 0.25 miles away or in the same "subarea" as the subject property. The comparables are 129- to 153-year-old two- or three-story residences with frame or masonry construction. The comparables were sold between June 2020 and December 2022 for sale prices between \$940,000 and \$1,300,000. The comparables have sale prices per square foot between \$322.26 and \$371.32. The board of review is requesting that the current assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #3 and #4 and board of review's comparable sales #1 and #3. As for comparables that are not best evidence, appellant's comparables #1 and #2 are larger than the subject property. Board of review's comparable #2 has different exterior construction than the subject property. Board of review's comparable #4 is larger than the subject property. The best comparables sold for prices ranging from \$171.40 to \$366.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$285.19 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
