

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joon Han
DOCKET NO.: 22-39438.001-R-1
PARCEL NO.: 14-19-301-005-0000

The parties of record before the Property Tax Appeal Board are Joon Han, the appellant(s), by attorney Christopher G. Walsh, Jr., of Walsh Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,875
IMPR.: \$37,125
TOTAL: \$84,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 105-year-old, two-story, apartment dwelling containing 2,835 square feet of living area. Features of the dwelling include three baths, a full apartment basement, and a two-car garage. The property has a 3,750 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is a class 2-11 property as determined by the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$750,000 as of September 30, 2019 per the sale comparison approach to value. The appellant requested a reduction in the subject's assessment to \$75,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$84,000. The subject's assessment reflects a market value of \$840,000 when using the 10% level of assessment for class 2 properties as determined by the Cook County Real Property Classification Ordinance. The board of review submit four sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the subject's appraisal value date of September 2019 is reflective of the market value in 2019 and not the 2022 tax lien year. The 2019 appraisal date is too far removed in time from the January 1, 2022 lien date and in a different assessment triennial than the 2022 tax year. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified based on the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
