

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rocco Labellarte
DOCKET NO.: 22-39727.001-R-1
PARCEL NO.: 09-27-129-003-0000

The parties of record before the Property Tax Appeal Board are Rocco Labellarte, the appellant(s), by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,580
IMPR.: \$24,420
TOTAL: \$33,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,227 square feet of living area. The dwelling is approximately 67 years old. Features of the home include a full basement, central air conditioning and a 1-car garage. The board of review indicated the subject has other improvements that were not described. The property has a 6,600 square foot site and is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and from 0.24 to 0.68 of a mile from the subject. The comparables consist of class 2-03, 1-story dwellings of masonry exterior

construction ranging in size from 1,274 to 1,397 square feet of living area. The dwellings are 54 to 68 years old. Four comparables each have a full basement, and one comparable has a slab foundation. Two comparables each have central air conditioning, one comparable has central air conditioning, each comparable has 1 or 2 fireplaces, and three comparables have either a 1-car or a 1.5-car garage. The comparables have improvement assessments ranging from \$18,600 to \$22,082 or from \$14.60 to \$16.02 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$33,000. The subject property has an improvement assessment of \$24,420 or \$19.90 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the same assessment neighborhood and block as the subject. The comparables consist of class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,269 to 1,274 square feet of living area. The comparables are 62 to 67 years old. Each comparable has a full basement with one having finished area, central air conditioning and either a 1-car or a 2-car garage. Two comparables have 1 or 2 fireplaces. The comparables have improvement assessments ranging from \$24,420 to \$28,162 or from \$19.17 to \$22.11 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables due to differences from the subject in age, foundation type, lack of central air conditioning and/or lack of a garage amenity, which are both features of the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables which are overall most similar to the subject in location, design, dwelling size, foundation type and most features. These four comparables have improvement assessments ranging from \$24,420 to \$28,162 or from \$19.17 to \$22.11 per square foot of living area. The subject's improvement assessment of \$24,420 or \$19.90 per square foot of living area falls at the lower end of the range established by the best comparables in the record on an overall basis and within the range on a per-square-foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
