

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Krzysztof Kaczmarek
DOCKET NO.: 22-40011.001-R-1
PARCEL NO.: 12-36-205-026-0000

The parties of record before the Property Tax Appeal Board are Krzysztof Kaczmarek, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,062
IMPR.: \$26,937
TOTAL: \$31,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, multi-family building of frame and masonry exterior construction with 2,112 square feet of gross building area. The building is approximately 106 years old. Features include a full basement and a 2-car garage. The property has a 3,750 square foot site and is located in Elmwood Park, Leyden Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are improved with 1.5-story or 2-story, class 2-11 multi-family buildings of frame and masonry exterior construction ranging in size from 2,115 to 2,502 square feet of gross building area. The

buildings range in age from 95 to 106 years old. Each comparable has a full basement and two fireplaces. One comparable has central air conditioning. Four comparables each have from a 1-car to a 2-car garage. The comparables have improvement assessments ranging from \$19,563 to \$27,431 or from \$8.11 to \$10.96 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted the board of review final decision disclosing the total assessment for the subject of \$31,999. The subject property has an improvement assessment of \$26,937 or \$12.75 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood. The comparables are improved with 1.5-story or 2-story, class 2-11 multi-family buildings of frame or frame and masonry exterior construction ranging in size from 1,852 to 2,098 square feet of gross building area. The buildings range in age from 97 to 106 years old. Each comparable has a full basement. Two comparables each have central air conditioning. Three comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$24,489 to \$27,938 or from \$13.11 to \$14.54 per square foot of gross building area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables, as well as board of review comparables #1, which have a dissimilar 1.5-story, in contrast to the subject's 2-story design, and/or are less similar to the subject in gross building size than other comparables in this record.

The Board finds the best evidence of assessment equity to be the board of review comparables #2, #3, and #4, which are similar to the subject in location, design/class, age, and gross building size with varying degrees of similarity in other features. The comparables have improvement assessments ranging from \$24,489 to \$27,938 or from \$13.11 to \$14.54 per square foot of gross building area. The subject's improvement assessment of \$26,937 or \$12.75 per square foot of gross building area falls within the range established by the best comparables in this record on an overall improvement assessment basis and below the range on a per square foot basis. After considering the necessary adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
