

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kimberly Mrockowski  
DOCKET NO.: 22-40084.001-R-1  
PARCEL NO.: 02-36-301-016-0000

The parties of record before the Property Tax Appeal Board are Kimberly Mrockowski, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,052  
**IMPR.:** \$19,947  
**TOTAL:** \$24,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 1,252 square feet of living area. The dwelling is approximately 67 years old. Features of the home include a full basement and a 1-car garage. The property has a 9,186 square foot site and is located in Rolling Meadows, Palatine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and from 0.17 to 0.68 of a mile from the subject. The comparables consist of class 2-03, 1-story dwellings of frame exterior construction ranging in size from 1,055 to 1,453 square feet of living area. The dwellings are 66 or 68 years old. Three comparables each have a partial basement, and two comparables each have a crawl

space foundation. Each comparable has 1 or 2 fireplaces and either a 1-car, a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$9,541 to \$18,027 or from \$8.12 to \$12.47 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision disclosing a total assessment for the subject property of \$24,999. The subject property has an improvement assessment of \$19,947 or \$15.93 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three comparables located within the subject's assessment neighborhood and approximately ¼ of a mile from the subject. The comparables consist of class 2-03, 1-story dwellings of frame exterior construction containing 1,021 or 1,055 square feet of living area. The dwellings are 65 or 66 years old. Each comparable has a partial or a full basement, central air conditioning and either a 1.5-car, a 2-car or a 2.5-car garage. One comparable has a fireplace. The comparables have improvement assessments ranging from \$20,050 to \$21,710 or from \$19.00 to \$21.26 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 which lack a basement foundation and is a feature of the subject dwelling.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2 and #5 along with the board of review's comparables. These comparables are relatively similar to the subject in location, design, age, dwelling size, foundation type and some features. These six comparables have improvement assessments ranging from \$9,541 to \$21,710 or from \$8.12 to \$21.26 per square foot of living area. The subject's improvement assessment of \$19,947 or \$15.93 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
