

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michelle Labbe
DOCKET NO.: 22-40655.001-R-1
PARCEL NO.: 02-36-209-020-0000

The parties of record before the Property Tax Appeal Board are Michelle Labbe, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,699
IMPR.: \$16,720
TOTAL: \$22,419

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,003 square feet of living area. The dwelling is approximately 68 years old. Features include a crawl space foundation and a 2-car garage. The property has a 10,362 square foot site and is located in Rolling Meadows, Palatine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood and from 0.03 to 0.98 or mile from the subject property. The comparables are improved with 1-story, class 2-03 homes of frame exterior construction ranging in size from 1,003 to 1,183 square feet of living area. The dwellings are 66 or 68 years old. One comparable has a partial basement and four comparables

each have a crawl space foundation. Each comparable has one or two fireplaces and from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$10,500 to \$16,478 or from \$9.41 to \$13.93 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$12,728 or \$12.69 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted the board of review final decision disclosing the total assessment for the subject of \$22,419. The subject property has an improvement assessment of \$16,720 or \$16.67 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and on the same block as the subject property. The comparables are improved with 1-story, class 2-03 of frame exterior construction with each having 1,003 square feet of living area. The dwellings are 66 or 68 years old. Two comparables each have a partial basement and two comparables each have a crawl space foundation. Two comparables each have central air conditioning. Each comparable has a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$17,489 to \$18,702 or from \$17.44 to \$18.65 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board finds each of the parties' comparables to be similar, if not identical, to the subject in design/class, age, and dwelling size. However, the Board gives less weight to the appellant's comparables #1 and #2 which are located almost one mile from the subject property, less proximate to the subject property than the other comparables in this record. The remaining comparables, although most similar to the subject, as described above, still present differences when compared to the subject which would require appropriate adjustments to make them more equivalent to the subject. The best comparables have improvement assessments ranging from \$13,900 to \$18,702 or from \$13.80 to \$18.65 per square foot of living area. The subject's improvement assessment of \$16,720 or \$16.67 per square foot of living area falls within the range established by the best equity comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
