

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Henry Pikul
DOCKET NO.: 22-42782.001-R-1
PARCEL NO.: 13-08-224-047-0000

The parties of record before the Property Tax Appeal Board are Henry Pikul, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,400
IMPR.: \$40,605
TOTAL: \$51,005

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story mixed-use building of masonry exterior construction with 5,106 square feet of gross building area. The building is approximately 58 years old. Features of the building include a partial basement, central air conditioning, and two fireplaces. The property has a 5,200 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located from .81 of a mile to 4.79 miles from the subject. The comparables consist of class 2-12 buildings of masonry exterior construction ranging in size from 5,327 to 5,403 square feet of gross building area. The buildings range in age from 31 to 69 years old. Each

building has a full or partial basement, three comparables have central air conditioning, and one comparable has a 4-car garage. The comparables have improvement assessments ranging from \$23,320 to \$36,463 or from \$4.32 to \$6.75 per square foot of gross building area. Based on this evidence, the appellant requested a reduced improvement assessment of \$27,981 or \$5.48 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the board of review final decision disclosing the total assessment for the subject of \$51,005. The subject property has an improvement assessment of \$40,600 or \$7.95 per square foot of gross building area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .25 of a mile of the subject. The comparables consist of 2-story class 2-12 buildings of masonry exterior construction ranging in size from 2,431 to 6,296 square feet of gross building area. The buildings are either 90 or 97 years old. Two buildings have central air conditioning and either a 1.5-car or 2-car garage. Two comparables each have a basement and one comparable has a concrete slab foundation. The comparables have improvement assessments ranging from \$20,684 to \$54,500 or from \$8.00 to \$8.66 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the comparables submitted by the board of review were dissimilar to the subject in age and/or building size.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the comparables submitted by the appellant, which are located in different neighborhood codes and from .81 to 4.79 miles from the subject, less proximate to the subject than the comparables presented by the board of review. The Board also gives less weight to board of review comparable #3, which differs significantly from the subject in building size.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2, which are most proximate to the subject and have varying degrees of similarity to the subject in building size and features. These comparables have improvement assessments of \$44,456 and \$54,500 or \$8.00 and \$8.66 per square foot of gross building area. The subject's improvement assessment of \$40,600 or \$7.95 per square foot of gross building area falls below

the two best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
