

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ascent Realty Investments LLC-Beta Series
DOCKET NO.: 22-42915.001-R-1
PARCEL NO.: 20-25-207-051-0000

The parties of record before the Property Tax Appeal Board are Ascent Realty Investments LLC-Beta Series, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,133
IMPR.: \$13,371
TOTAL: \$20,504

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 4,272 square feet of building area. The building is approximately 62 years old and features a basement. The property has a 5,707 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject and within 0.7 of a mile from the subject. The comparables are improved with 2-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 4,138 to 4,626 square feet of living area. The dwellings are 99 or 106 years old. Each comparable has a basement, one of

which has finished area, and a 2-car garage. One comparable has two fireplaces. The comparables have improvement assessments ranging from \$11,125 to \$12,673 or from \$2.60 to \$2.88 per square foot of building area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$11,620.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,504. The subject property has an improvement assessment of \$13,370 or \$3.13 per square foot of building area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and on the same block or 0.25 of a mile from the subject. The comparables are improved with 2-story or 3-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 3,957 to 4,308 square feet of building area. The buildings range in age from 62 to 109 years old. Each comparable has a basement and three comparables have a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$13,473 to \$17,881 or from \$3.18 to \$4.19 per square foot of building area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the board of review's comparables #2, #3, and #4, which are 3-story buildings unlike the subject, and to the appellant's comparable #2, which has finished basement area and two fireplaces unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3, and #4 and the board of review's comparable #1, which are more similar to the subject in design, building size, location, and features, although three of these comparables are substantially older buildings than the subject with a garage unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$11,125 to \$17,881 or from \$2.60 to \$4.19 per square foot of building area. The subject's improvement assessment of \$13,370 or \$3.13 per square foot of building area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
