

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irwin Kerzner
DOCKET NO.: 22-42979.001-R-1
PARCEL NO.: 10-15-120-013-0000

The parties of record before the Property Tax Appeal Board are Irwin Kerzner, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,240
IMPR.: \$37,759
TOTAL: \$45,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 2,127 square feet of living area. The dwelling was built in 1957 and is approximately 65 years old. Features include a full basement and central air conditioning. The property has a 6,867 square foot site and is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood code and from 0.2 of mile to 3.3 miles from the subject. The comparables are improved with class 2-04 dwellings of masonry or frame and masonry exterior construction ranging in size from 1,974 to 2,378 square feet of living area. The homes range in age from 65 to 68 years old. Each comparable has a full or partial basement and central air conditioning. The comparables have improvement assessments

ranging from \$30,354 to \$40,065 or from \$14.43 to \$16.85 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" depicting a final assessment of \$46,000. However, the appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$45,999. The subject has an improvement assessment of \$37,759 or \$17.75 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the subject's assessment neighborhood code and ¼ of a mile from the subject. The comparables are improved with 1-story, class 2-04 dwellings of masonry exterior construction ranging in size from 1,828 to 2,056 square feet of living area. The homes are either 65 or 66 years old. Each comparable has a full or partial basement and central air conditioning. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$35,364 to \$40,882 or from \$18.77 to \$20.22 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 which is located 3.3 miles from the subject, less proximate than other comparables in this record. The Board also gives less weight to the appellant's comparable #4 as well as board of review comparables #1 and #2 which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #3 as well as board of review comparable #3 which are overall more similar to the subject in location, design/class, age, dwelling size, and other features. The three best comparables have improvement assessments ranging from \$31,820 to \$40,882 or from \$15.62 to \$19.88 per square foot of living area. The subject's improvement assessment of \$37,759 or \$17.75 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
