

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Olejniczak
DOCKET NO.: 22-43345.001-R-1
PARCEL NO.: 03-19-307-005-0000

The parties of record before the Property Tax Appeal Board are Richard Olejniczak, the appellant, by attorney Jeremy Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,311
IMPR.: \$84,618
TOTAL: \$117,929

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 4,778 square feet of living area. The dwelling is 7 years old. Features of the home include a full basement with finished area, central air conditioning, 2 fireplaces and a 3.5-car garage. The property has a 22,207 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of the improvement assessment inequity argument, the appellant submitted information on four comparables located within the subject's assessment neighborhood and from 0.1 of a mile to 2.8 miles from the subject. The comparables consist of class 2-08, 2-story dwellings of masonry or frame and masonry exterior construction ranging in size from 4,497 to

4,869 square feet of living area. The dwellings are 3 to 19 years old. Each comparable has a full basement, central air conditioning, 1 or 2 fireplaces and a 3-car garage. The comparables have improvement assessments ranging from \$73,500 to \$86,250 and of either \$15.52 or \$17.71 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$81,990 or \$17.16 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision disclosing the total assessment for the subject property of \$127,389. The subject property has an improvement assessment of \$94,079 or \$19.69 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on two comparables located within a different assessment neighborhood than the subject property. The board of review's grid analysis did not disclose the proximity to the subject property. The comparables consist of class 2-08, 2-story dwellings of frame or frame and masonry exterior construction with either 3,919 or 3,975 square feet of living area. The dwellings are 5 or 16 years old. Each comparable has a full basement, one of which has finished area, central air conditioning, 1 or 2 fireplaces and a 2-car or a 3-car garage. The comparables have improvement assessments of \$79,500 and \$79,680 or \$20.00 and \$20.33 per square foot of living area. Based on the foregoing evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted six comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparable #1 as well as the board of review comparables which are less similar to the subject in age or dwelling size than other comparables in this record. Moreover, the board of review's comparables are located within a different assessment neighborhood than the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #3 and #4 which are overall most similar to the subject in location, design, age, dwelling size, and most features. These seven comparables have improvement assessments ranging from \$79,660 to \$86,250 or \$17.71 per square foot of living area. The subject's improvement assessment of \$94,080 or \$19.69 falls above the range established by the best comparables in the record and appears to be excessive. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
