

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yuriy Tychynskyy
DOCKET NO.: 22-43380.001-R-1
PARCEL NO.: 03-09-401-075-0000

The parties of record before the Property Tax Appeal Board are Yuriy Tychynskyy, the appellant, by attorney Jeremy Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,142
IMPR.: \$41,000
TOTAL: \$50,142

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,987 square feet of living area. The dwelling is approximately 28 years old. Features of the home include a full basement, central air conditioning, a fireplace and a 3-car garage. The property has a 40,633 square foot site and is located in Wheeling, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three comparables located within the subject's assessment neighborhood and from 0.10 to 0.80 of a mile from the subject. Two comparables are located along the same street as the subject. The comparables consist of class 2-78, "Two or more Story" dwellings of frame or frame and masonry exterior

construction ranging in size from 2,410 to 3,231 square feet of living area. The dwellings are 27 to 44 years old. One comparable has a crawl space foundation, and three comparables have a partial or a full basement. Each comparable has central air conditioning, a fireplace and either a 2-car or a 3½-car garage. The comparables have improvement assessments ranging from \$31,846 to \$38,200 or from \$11.82 to \$13.21 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$50,142. The subject property has an improvement assessment of \$41,000 or \$13.73 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood, block and street as the subject. The comparables consist of class 2-78, 2-story dwellings of frame or frame and masonry exterior construction ranging in size from 2,779 to 3,377 square feet of living area. The dwellings are 19 to 30 years old. Each comparable has a basement with one having finished area, central air conditioning, 1 or 2 fireplaces and either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$38,500 to \$47,023 or from \$13.80 to \$14.41 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review comparable #2 which are less similar to the subject in dwelling size, age and/or lack a basement foundation relative to the subject's full basement.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #3 and #4 which are overall most similar to the subject in location, age, dwelling size, foundation type and other features. These three comparables have improvement assessments ranging from \$38,500 to \$45,000 or from \$13.80 to \$14.41 per square foot of living area. The subject's improvement assessment of \$41,000 or \$13.73 per square foot of living area falls within the range established by the best comparables in the record on an overall basis and below the range on a per-square-foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
