

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tom Kailis  
DOCKET NO.: 22-43962.001-R-1  
PARCEL NO.: 13-08-200-009-0000

The parties of record before the Property Tax Appeal Board are Tom Kailis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,444  
**IMPR.:** \$17,998  
**TOTAL:** \$25,442

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame exterior construction with 1,293 square feet of living area. The dwelling is 98 years old and features a full basement and a 2-car garage. The property has a 3,720 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood. The comparables consist of 1-story class 2-03 dwellings of wood or wood and masonry exterior construction ranging in size from 1,297 to 1,778 square feet of living area. The homes are either 97 or 99 years old. Each dwelling has a full basement and a 1.5-car or 2-car garage. The parcels range in size from 3,720 to 4,187 square feet of land area. The

comparables sold from April 2020 to February 2021 for prices ranging from \$235,000 to \$270,000 or from \$132.17 to \$192.75 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$19,706, for an estimated market value of \$197,060 or \$152.41 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the board of review final decision disclosing the total assessment for the subject of \$25,442. The subject's assessment reflects a market value of \$254,420 or \$196.77 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the subject's assessment neighborhood and within .25 of a mile of the subject. The comparables consist of 1.5-story class 2-03 dwellings of frame, stucco, or masonry exterior construction ranging in size from 1,144 to 1,365 square feet of living area. The dwellings range in age from 66 to 93 years old. Each dwelling has a full basement, two of which have finished area. Two comparables have central air conditioning and three comparables each have a 2-car garage. The parcels each contain 3,720 square feet of land area. The comparables sold from June 2020 to April 2022 for prices ranging from \$272,000 to \$347,500 or from \$235.11 to \$254.58 per square foot of living area, including land. The board of review disclosed that the subject sold in March 2020 for a price of \$290,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives reduced weight to appellant comparables #1 through #3, as well as board of review comparables #3 and #4, which sold less proximate to the January 1, 2022 assessment date at issue in this appeal.

The Board finds the best evidence of market value to be the appellant's comparable sale #4, along with board of review comparables #1 and #2, which sold proximate to the assessment date at issue and have varying degrees of similarity to the subject. These comparables sold from February 2021 to April 2022 for prices ranging from \$270,000 to \$296,800 or from \$166.98 to \$253.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$254,420 or \$196.77 per square foot of living area, including land, which is below the range established by the best comparable sales in this record overall and within the range on a per-square-foot basis. Based on this evidence and after considering adjustments to the best

comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
