

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Lee
DOCKET NO.: 22-44054.001-R-1
PARCEL NO.: 13-26-321-013-0000

The parties of record before the Property Tax Appeal Board are Richard Lee, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,067
IMPR.: \$25,968
TOTAL: \$43,035

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story building of frame exterior construction with 2,184 square feet of gross building area. The building is 123 years old. Features of the building include a full basement and a 2-car garage. The property has a 4,875 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood and within one mile of the subject. The comparables consist of 2-story class 2-11 buildings of frame or masonry exterior construction ranging in size from 1,280 to 3,747 square feet of gross building area. The buildings range in age from 109 to 129 years old. Three buildings each have a full basement and one comparable has a crawl-space foundation.

The parcels range in size from 2,100 to 3,125 square feet of land area. The comparables sold from January 2020 to April 2022 for prices ranging from \$170,000 to \$642,500 or from \$132.81 to \$228.62 per square foot of gross building area, including land. Based on this evidence, the appellant requested a reduced assessment of \$35,147, for an estimated market value of \$351,470 or \$160.93 per square foot of gross building area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,035. The subject's assessment reflects a market value of \$430,350 or \$197.05 per square foot of gross building area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .25 of a mile of the subject. The comparables consist of 2-story class 2-11 buildings of frame or masonry exterior construction ranging in size from 2,072 to 2,796 square feet of gross building area. The buildings range in age from 108 to 118 years old. Each building has a full or partial basement, one comparable has central air conditioning, and three comparables each have a 2-car garage. The parcels range in size from 3,250 to 4,125 square feet of land area. The comparables sold from July 2021 to April 2022 for prices ranging from \$483,000 to \$675,000 or from \$225.85 to \$295.39 per square foot of gross building area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, each of which reportedly lacks a garage, a feature of the subject. Additionally, appellant comparables #3 and #4 differ from the subject in building size and foundation and comparables #1 and #4 sold less proximate to the January 1, 2022 assessment date at issue. The Board also gives reduced weight to board of review comparable #1, which features central air conditioning unlike the subject and comparable #3, which also lacks a garage.

The Board finds the best evidence of market value to be the board of review's comparable sales #2 and #4, which sold proximate to the assessment date at issue and are somewhat similar to the subject in age, building size, and some features. These most similar comparables sold in August 2021 and April 2022 for prices of \$615,000 and \$675,000 or \$241.42 and \$295.39 per square foot of gross building area, including land. The subject's assessment reflects a market value of

\$430,350 or \$197.05 per square foot of gross building area, including land, which falls below the two best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
