

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hubert Anthony Benzon
DOCKET NO.: 22-44554.001-R-1
PARCEL NO.: 14-30-211-018-0000

The parties of record before the Property Tax Appeal Board are Hubert Anthony Benzon, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,500
IMPR.: \$83,645
TOTAL: \$121,145

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13-year-old, two-story, single-family building of frame construction with 2,618 square feet of living area. The property has a 3,000 square foot site and is located in Chicago, Lake View Township, Cook County. Features of the building include a full basement with a formal recreation room, central air conditioning, and a two-car garage. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant also contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with varying degrees of similarities to the subject. The appellant did not report the exact proximity of the suggested comparables to the subject but disclosed that each of them had the same neighborhood code as the subject. The comparables had improvement assessments ranging from \$19.39 to \$29.56 per

square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$99,215.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$121,145. The subject property has an improvement assessment of \$83,645 or \$31.95 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with varying degrees of similarity to the subject. Each of the comparable properties was located within a block of the subject property. The comparables had improvement assessments that ranged from \$33.97 to \$40.95 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof, and that a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, #3, and #4 and the board of review's comparables #2, #3, and #4. These comparables had improvement assessments that ranged from \$19.39 to \$40.95 per square foot of living area. The subject's improvement assessment of \$31.95 per square foot of living area falls within the range established by the best comparables in this record. After considering all the comparables submitted by the parties with emphasis on those properties that are more proximate in location, more similar in size, and with similar features relative to the subject and after further considering adjustments to the best comparables for differences from the subject, the Board finds the subject's improvement assessment is supported. The Board finds that the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and, therefore, a reduction in the subject's assessment commensurate with the appellant's request is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
