

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Reid
DOCKET NO.: 22-45293.001-R-1
PARCEL NO.: 10-27-108-009-0000

The parties of record before the Property Tax Appeal Board are James Reid, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,981
IMPR.: \$34,366
TOTAL: \$39,347

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.¹

Findings of Fact

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 1,766 square feet of living area. The dwelling is approximately 88 years old. Features include a full basement, central air conditioning, and a 1-car garage. The property has a 3,690 square foot site and is located in Skokie, Niles Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted five equity comparables located within the subject's assessment neighborhood code. The comparables are improved with class 1-story or 1.5-story, 2-03 dwellings of masonry exterior construction ranging in size from 1,642 to

¹ The appellant waived the hearing request and requested to have the appeal decided on the written record without objection from the board of review.

1,800 square feet of living area. The homes range in age from 68 to 99 years old. Three comparables each have a full or partial basement and two comparables each have a slab foundation. Four comparables each have central air conditioning. Each comparable has one or two fireplaces. Four comparables each have from a 1-car to a 2-car garage. The comparables have improvement assessments ranging from \$26,595 to \$30,358 or from \$16.20 to \$16.87 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" depicting a final assessment of \$39,348. However, the appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$39,347. The subject has an improvement assessment of \$34,366 or \$19.46 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 1.5-story, class 2-03 dwellings of masonry exterior construction ranging in size from 1,561 to 1,690 square feet of living area. The homes range in age from 85 to 93 years old. Each comparable has a full or partial basement and one fireplace. Two comparables each have central air conditioning. Three comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$33,520 to \$41,019 or from \$20.72 to \$24.73 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which differ substantially from the subject in age and/or which lack a basement foundation, which the subject features. Further, four of the appellant's comparables have a dissimilar 1-story design in contrast to the subject's 1.5-story design.

The Board finds the best evidence of assessment equity to be the board of review comparables which are overall most similar to the subject in design/class, age, and dwelling size with varying degrees of similarity in other features. The best comparables have improvement assessments ranging from \$33,520 to \$41,019 or from \$20.72 to \$24.73 per square foot of living area. The subject's improvement assessment of \$34,366 or \$19.46 per square foot of living area falls within the range established by the best comparables in this record on an overall basis and below the

range on a per square foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
