

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Bishop
DOCKET NO.: 22-45335.001-R-1
PARCEL NO.: 14-21-309-043-0000

The parties of record before the Property Tax Appeal Board are Timothy Bishop, the appellant, by attorney Caren Gertner, of the Law Office of Gertner & Gertner, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,250
IMPR.: \$29,750
TOTAL: \$86,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry construction with 2,058 square feet of living area. The dwelling is approximately 128 years old. Features of the home include a finished full basement, central air conditioning, a fireplace and a 2-car garage. The property has a 3,750 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$860,000 as of January 1, 2021.

Based on this evidence, the appellant requested that the subject's assessment be reduced to reflect the recent appraised value.

The appellant disclosed the subject property is an owner-occupied residence. The Board takes judicial notice the subject property was the subject matter of an appeal before this Board the prior year under Docket No. 21-33240 in which the Board issued a decision lowering the subject's assessment to \$86,000 based on evidence presented by the parties.

The board of review submitted its "Board of Review Notes on Appeal." The subject has a total assessment of \$123,914. The "Board of Review Notes on Appeal," also disclosed that 2021 was the first year of the general assessment cycle for the subject property.

In support of its contention of the correct assessment the board of review submitted information on one comparable sale that was also used by the appellant's appraiser. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted. Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board finds the subject property was the matter of an appeal before this Board for the prior tax year under Docket No. 21-33240.001-R-1, wherein the Board lowered the subject's total assessment to \$86,000. The record further disclosed the subject property is an owner-occupied residence and that the 2021 and 2022 tax years are within the same general assessment period. Therefore, the Board finds a reduction in the subject's assessment, pursuant to section 16-185 of the Property Tax Code, is warranted. (35 ILCS 200/16-185)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
