

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vesna Zuric  
DOCKET NO.: 22-45485.001-R-1  
PARCEL NO.: 14-18-125-013-0000

The parties of record before the Property Tax Appeal Board are Vesna Zuric, the appellant(s), by attorney Jason W. Newton, of Schoenberg Finkel Beederman Bell Glazer LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$41,103  
**IMPR.:** \$59,947  
**TOTAL:** \$101,050

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 128-year-old, two-story, single-family dwelling of masonry construction with 2,721 square feet of living area. Features of the home include an unfinished full basement, central air conditioning, and a two-car garage. The property has a 4,567 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a Class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on July 24, 2020, for a price of

\$1,050,000<sup>1</sup>. The appellant answered the questions in Section IV of the residential appeal, submitted a warranty deed, and a Multiple Listing Service closing data sheet. The answers from Section IV of the residential appeal indicated that the sale of the subject property was not between family members, was sold by owner, was advertised on the Multiple Listing Service for 54 days before the sale, and was not due to a foreclosure action. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect 10% of the purchase price.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 21-43601.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$101,050 on the evidence submitted by the parties. The tax years 2021 and 2022 are within the same general assessment period and the appellant disclosed in the 2021 and 2022 appeals that the subject property is an owner-occupied residence. The appellant is the same for 2021 and 2022.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,000. The subject's assessment reflects a market value of \$1,050,000 or \$385.89 per square foot of building area, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. In support of its contention of the correct assessment the board of review submitted information on three equity comparables and one sales comparables.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 21-43601.001-R-1 it rendered a decision lowering the subject's assessment for tax year

---

<sup>1</sup> The appellant indicated in Section IV that the sale price of the subject property was \$1,050,000. The Multiple Listing Service closing data sheet that was submitted indicated that the sale price was \$1,010,200. The Board need not make a finding on this issue as this decision concludes on different grounds.

2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of 2022 are in the same general assessment period for Lake View Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the 2022 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2021 tax year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward to the 2022 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2021 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
