

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patrick Sheedy
DOCKET NO.: 22-45928.001-R-1
PARCEL NO.: 13-06-215-004-0000

The parties of record before the Property Tax Appeal Board are Patrick Sheedy, the appellant(s), by attorney John P. Brady, of Tully & Associates, LTD. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,625
IMPR.: \$32,323
TOTAL: \$47,948

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 18-year-old, two-story, dwelling of frame construction with 2,912 square feet of living area. The property has a 6,250 square foot site and is located in Chicago, Jefferson Township, Cook County. Features of the dwelling include a full basement and a two-car garage. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance. The record disclosed that the subject property was owner occupied during the lien year.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparable properties with varying degrees of similarities to the subject. These comparables are described as dwellings of frame, masonry, or frame and masonry construction. They range in age from 18 to 62 years; in size from 2,085 to 3,340 square feet of living area; and an improvement assessment from

\$10.49 to \$10.89 per square foot of living area. These properties have partial or full basements and one- or two-car garages. The appellant did not disclose the proximate distance to the subject property but they are located in the same neighborhood code. The appellant also submitted the subject's board of review decision letter dated June 29, 2023, which disclosed a total assessment of \$47,948. The appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,949. The subject property has an improvement assessment of \$32,324 or \$11.10 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties with varying degrees of similarities to the subject. These comparables are described as frame construction, two-story dwellings. They range in age from seven to 16 years; in size from 2,236 to 2,620 square feet of living area; and an improvement assessment ranging from \$14.53 to \$20.27 per square foot of living area. These properties have full basements. The properties are located within the same subarea as the subject property. The board of review requested that the assessment be confirmed.

Conclusion of Law

The Board finds that the subject's total assessed value is \$47,948 per the board of review decision letter. Therefore, the subject has a total improvement assessment of \$32,323 or \$11.10 per square foot of living area.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. 35 ILCS 200/16-185.

Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 21-49883.001-R-1, it rendered a decision lowering the subject's assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of 2022 are in the same general assessment period for Jefferson Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the 2022 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2021 tax

year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. to
The Board finds the 2022 total assessment already reflects the assessment as established in the
Board's 2021 tax year decision, plus the application of an equalization factor, if any. Therefore,
the Board finds that no further reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
