DOCKET NO.: 22-48120.001-C-1 through 22-48120.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Phillips Conoco at 67th Street, Inc., the appellant(s), by attorney Gregory P. Diamantopoulos, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

22-48120.001-C-1	20-22-401-010-0000	3,875	0	$3,875
22-48120.002-C-1	20-22-401-047-0000	17,077	80,449	$97,526

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of land totaling 15,520 square feet and improved with an approximately 61-year-old, one-story, masonry, commercial building containing 698 square feet of building area. The property is located in Chicago, Hyde Park Township and is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted five equity comparables located from .34 to 1 mile from the subject. These comparables are described as one-story, concrete or masonry, commercial buildings. They range: in age from 36 to 65 years; in size from 410 to 2,001 square feet of building area; and in improvement assessment from $38.22 to $131.97 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of $101,401 with an improvement assessment of $80,449 or $115.26 per square foot of building area. No further evidence was submitted.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments from $38.22 to $131.97 per square foot of building area. In comparison the subject's improvement assessment of $115.26 per square foot of building area is within the range of the best comparables in this record. Based on this record and after adjustments to the comparables for differences with the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
