

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Taller
DOCKET NO.: 22-49113.001-R-1
PARCEL NO.: 03-03-309-016-0000

The parties of record before the Property Tax Appeal Board are Anthony Taller, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,445
IMPR.: \$16,777
TOTAL: \$22,222

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,117 square feet of living area. The home is approximately 58 years old. Features include a slab foundation and a 1-car garage. The property has a 7,260 square foot site and is located in Wheeling, Wheeling Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood and from 0.09 to 0.34 of a mile from the subject property. The comparables are improved with 1-story, class 2-03 dwellings of frame exterior construction ranging in size from 1,172 to 1,331 square feet of living area. The homes range in age from 57 to 62 years old. Four comparables each have a full or

partial basement and one comparable has a slab foundation. Two comparables each have central air conditioning, each comparable has one or two fireplaces, and four comparables each have from a 1-car to 2.5-car garage. The comparables have improvement assessments ranging from \$13,963 or \$16,273 or from \$11.91 to \$12.23 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,222. The subject property has an improvement assessment of \$16,777 or \$15.02 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and on the subject's block with three along the same street as the subject property. The comparables are improved with 1-story, class 2-03 dwellings of frame exterior construction ranging in size from 1,084 to 1,332 square feet of living area. The homes range in age from 57 to 60 years old. Each comparable has a full basement and from a 1-car to a 3-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$17,040 to \$22,555 or from \$15.72 to \$18.00 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparables #3 and #4 which differ substantially from the subject in dwelling size and/or features central air conditioning, unlike the subject. Further, the appellant's comparables #2 and #3 lack a basement foundation and a garage, respectively, both of which are features of the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #1 and #2 which are similar to the subject in location, design/class, age, and dwelling size with varying degrees of similarity in foundation type and other features. These comparables have improvement assessments of \$17,040 and \$19,510 or \$15.72 and \$18.00 per square foot of living area, respectively. The subject's improvement assessment of \$16,777 or \$15.02 per square foot of living area falls below the two best comparables in this record. Based on this record and after considering adjustments to the two best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
