

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Blue Chair Capital, LLC
DOCKET NO.: 22-49246.001-R-1
PARCEL NO.: 25-20-111-052-0000

The parties of record before the Property Tax Appeal Board are Blue Chair Capital, LLC, the appellant, by Robert Rosenfeld, attorney-at-law of Robert H. Rosenfeld & Associates, LLC in Northbrook, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,307
IMPR.: \$7,192
TOTAL: \$9,499

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story dwelling of masonry construction containing 969 square feet of living area. The dwelling is approximately 60 years old. Features of the property include a full basement with a formal recreation room and one bathroom. The property has a 3,550 square foot site located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables improved with one-story dwellings of masonry exterior construction that range in size from 920 to 993 square feet of living area. The homes range in age from 58 to 92 years old. Each property has a full basement and one bathroom. The comparables have the same

assessment neighborhood code as the subject property and are located from .4 to .9 of a mile from the subject property. Their improvement assessments range from \$5,469 to \$6,453 or from \$5.94 to \$6.52 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$6,027.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,499. The subject property has an improvement assessment of \$7,192 or \$7.42 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables composed of class 2-02 properties improved with one-story dwellings of masonry exterior construction that range in size from 840 to 975 square feet of living area. The homes range in age from 57 to 70 years old. Each property has a full basement with two having finished area, and one or two bathrooms. Two comparables have a 2-car garage. The comparables have the same assessment neighborhood code as the subject and are located in the same block or ¼ of mile from the subject property. Comparable #1 is located on the same street and within the same block as the subject property. The comparables have improvement assessments ranging from \$6,501 to \$10,693 or from \$7.55 to \$11.04 per square foot of living area.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on eight assessment equity comparables to support their respective positions. The Board gives less weight to appellant's comparable #3 due to differences from the subject dwelling in age. The Board gives less weight to board of comparable #3 due to differences from the subject dwelling in size. The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2 and #4 as well as board of review comparables #1, #2 and #4 that range in size from 920 to 990 square feet of living area and in age from 57 to 70 years old. The comparables have varying degrees of similarity to the subject in features. These comparables have improvement assessments that range from \$5,469 to \$10,693 or from \$5.94 to \$11.04 per square foot of living area. Board of review comparable #1 is most similar to the subject in location and features with an improvement assessment of \$10,693 or \$11.04 per square foot of living area. The subject's improvement assessment of \$7,192 or \$7.42 per square foot of living area falls within the range established by the best comparables in this record and is below the most similar comparable. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
