

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adrian Man
DOCKET NO.: 22-49343.001-R-1
PARCEL NO.: 20-32-316-038-0000

The parties of record before the Property Tax Appeal Board are Adrian Man, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,437
IMPR.: \$12,562
TOTAL: \$14,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 1,458 square feet of living area. The dwelling is approximately 73 years old. Features of the home include a full basement and a 1-car garage. The property has a 3,750 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables located within the same assessment neighborhood code as the subject and from 1 to 1.5 miles from the subject. The comparables consist of class 2-05, 2-story dwellings of masonry exterior construction ranging in size from 1,246 to 1,656 square feet of living area. The dwellings are 64 to 112 years old. The dwellings have full basements, but no data was provided if the basements

have finished area. Each comparable has either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$8,215 to \$11,622 or from \$5.93 to \$7.48 per square foot of living area.

Based on this evidence, the appellant requested that the improvement assessment be reduced to \$9,812 or \$6.73 per square foot of living area.

The board of review submitted its “Board of Review Notes on Appeal.” The appellant submitted a copy of the Cook County Board of Review final decision for the 2022 tax year disclosing the total assessment for the subject property of \$14,999. The subject property has an improvement assessment of \$12,562 or \$8.62 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood code as the subject and within the subject’s same block or approximately ¼ of a mile from the subject. The comparables consist of class 2-05, 2-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,382 to 2,088 square feet of living area. The comparables are 69 or 97 years old. The dwellings have full basements with one having finished area and either a 1-car, a 2-car or a 2½-car garage. One comparable each has central air conditioning. The comparables have improvement assessments of \$13,490 to \$20,563 or from \$8.35 to \$9.85 per square foot of living area.

Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject’s assessment is not warranted.

The parties submitted seven equity comparables for the Board’s consideration. The Board gives less weight to the appellant’s comparables that are located a mile or more away from the subject. The Board also gives less weight to the board of review comparables #1 and #2 due to their older ages when compared to the subject dwelling.

The Board finds the best evidence of assessment equity to be the board of review’s comparables #3 and #4 which are located approximately ¼ of a mile from the subject and are relatively similar to the subject in design, age and some features. These board of review comparables #3 and #4 have improvement assessments of \$14,938 and \$13,490 or \$8.35 and \$9.76 per square foot of living area, respectively. The subject’s improvement assessment of \$12,562 or \$8.62 per square foot of living area falls below the two best comparables in the record. Based on this record and after considering adjustments to the two best comparables for differences from the

subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
