

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Halina Novakovich  
DOCKET NO.: 22-49350.001-R-1  
PARCEL NO.: 19-21-105-014-0000

The parties of record before the Property Tax Appeal Board are Halina Novakovich, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,437  
**IMPR.:** \$11,562  
**TOTAL:** \$14,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of masonry exterior construction with 988 square feet of living area. The dwelling is approximately 77 years old. Features of the home include a full unfinished basement, 1 bathroom, and a 1-car garage. The property has a 2,750 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-10 property, a townhome or row house up to 62 years of age, under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located from 82 feet to 0.3 of a mile from the subject. Two comparables are located along the same street as the subject. The comparables consist of class 2-10, 2-story dwellings of masonry

exterior construction ranging in size from 912 to 1,000 square feet of living area. The dwellings are 78 or 79 years old. Each comparable has a full basement and either a 1-car or a 1½-car garage. The comparables have improvement assessments ranging from \$9,385 to \$10,875 or from \$10.20 to \$11.01 per square foot of living area.

Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision for the 2022 tax year disclosing the total assessment for the subject property of \$14,999. The subject property has an improvement assessment of \$11,562 or \$11.70 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code, block and street as the subject. The comparables consist of class 2-10, 2-story dwellings of masonry exterior construction containing 928 or 988 square feet of living area. The homes are each 77 years old. Two comparables have full unfinished basements, and two comparables have concrete slab foundations. Each comparable has 1 or 3 bathrooms, one comparable has central air conditioning, and three comparables each have a 1-car garage. The comparables have improvement assessments of \$12,500 and \$12,954 or from \$12.65 to \$13.96 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 as well as the board of review comparables #2, #3 and #4 which are less similar to the subject in dwelling size than the other comparables in the record. Additionally, the board of review's comparables #2, #3 and #4 have 2 extra bathrooms and/or dissimilar foundation type when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4 as well as the board of review comparable #1 which have the same assessment neighborhood code as the subject and are more similar, if not identical, to the subject in design, age, dwelling size, and most features. These three comparables have improvement assessments ranging from \$10,313 to \$12,500 or from \$10.48 to \$12.65 per square foot of living area. The subject's

improvement assessment of \$11,562 or \$11.70 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
