

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Anderson  
DOCKET NO.: 22-49354.001-R-1  
PARCEL NO.: 03-11-206-003-0000

The parties of record before the Property Tax Appeal Board are Timothy Anderson, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,437  
**IMPR.:** \$13,253  
**TOTAL:** \$18,690

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame exterior construction with 1,125 square feet of living area. The dwelling is approximately 73 years old. Features include a slab foundation, one fireplace, and a 1-car garage. The property has a 7,500 square foot site and is located in Wheeling, Wheeling Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are improved with 1-story or 1.5-story, class 2-03 dwellings of frame exterior construction ranging in size from 1,081 to 1,311 square feet of living area. The dwellings range in age from 68 to 74 years old. Each comparable has a crawl space foundation, one or two fireplaces, and from a 1-

car to a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$11,137 to \$17,120 or from \$10.30 to \$13.85 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$13,253 or \$11.78 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted the board of review final decision disclosing the total assessment for the subject of \$22,999. The subject property has an improvement assessment of \$17,562 or \$15.61 per square foot of living area.

The board of review did not submit any suggested equity comparables in support of its contention of the current assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

This record contains five suggested comparables submitted by the appellant for the Board's consideration. The comparables have varying degrees of similarity to the subject and have improvement assessments ranging from \$11,137 to \$17,120 or from \$10.30 to \$13.85 per square foot of living area. The subject property's improvement assessment of \$17,562 or \$15.61 per square foot of living area falls above the range established by the comparables in this record and appears to be excessive. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant demonstrated that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
