

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: POLCRO INC
DOCKET NO.: 22-49360.001-R-1
PARCEL NO.: 19-21-115-010-0000

The parties of record before the Property Tax Appeal Board are POLCRO INC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,712
IMPR.: \$12,287
TOTAL: \$15,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 1,067 square feet of living area. The dwelling is approximately 77 years old. Features of the home include a full unfinished basement and 1 bathroom. The property has a 2,970 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-10 property, a townhome or row house up to 62 years of age, under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within 0.3 of a mile from the subject. The comparables consist of class 2-10, 2-story dwellings of masonry exterior construction ranging in size from 984 to 1,059 square feet of

living area. The dwellings are 78 or 79 years old and have full basements, but no data was provided if the basements have finished area. The comparables have improvement assessments ranging from \$9,719 to \$10,8724 or from \$9.54 to \$10.45 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$10,819 or \$10.14 per square foot of living area.

The board of review submitted its “Board of Review Notes on Appeal.” The appellant submitted a copy of the Cook County Board of Review final decision for the 2022 tax year disclosing the total assessment for the subject property of \$15,999. The subject property has an improvement assessment of \$12,287 or \$11.52 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code and the same block as the subject. The comparables consist of class 2-10, 2-story dwellings of masonry exterior construction containing 912 or 1,000 square feet of living area. The homes are 77 or 78 years old. The comparables have full basements, one of which has finished area, and two comparables have either a 1-car or a 1½-car garage. The comparables have improvement assessments ranging from \$11,238 to \$13,125 or from \$12.32 to \$13.28 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject’s assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight equity comparables for the Board’s consideration. The Board gives less weight to the board of review comparables #2 and #4 which have a garage amenity, unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant’s comparables and the board of review comparables #1 and #3 which are located within the same assessment neighborhood code as the subject and are relatively similar to the subject in design, age, dwelling size, and other features. These six comparables have improvement assessments ranging from \$9,719 to \$12,525 or from \$9.54 to \$12.53 per square foot of living area. The subject’s improvement assessment of \$12,287 or \$11.52 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
