

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Enrique Guadalupe
DOCKET NO.: 22-49370.001-R-1
PARCEL NO.: 19-18-106-039-0000

The parties of record before the Property Tax Appeal Board are Enrique Guadalupe, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,670
IMPR.: \$16,773
TOTAL: \$22,443

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,113 square feet of living area and is approximately 70 years old. Features include a full basement with finished area,¹ 1½ bathrooms, and a 2-car garage. The property has a 4,536 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables with the same assessment neighborhood code as the subject. The evidence also

¹ The Board finds the best evidence of the subject's foundation is found in Section III of the appeal petition which is supported by the appellant's grid analysis. The appellant disclosed the subject has a full basement with finished area.

includes property characteristics printouts from the Cook County Assessor's Office which were analyzed to verify/update data in the Section V grid analysis. The comparables are improved with 1-story or 1.5-story, class 2-03 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size 1,050 to 1,321 square feet of living area. The homes range in age from 65 to 134 years old. Three comparables each have a full basement finished with an apartment or a recreation room and two comparables each have a slab foundation. Each comparable has 1 or 1½ bathrooms. One comparable has central air conditioning. Four comparables have from a 1-car to a 2-car garage. The comparables have improvement assessments ranging from \$7,548 to \$12,700 or from \$6.61 to \$9.61 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$10,183 or \$9.15 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,443. The subject property has an improvement assessment of \$16,773 or \$15.07 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 1-story, class 2-03 dwellings of masonry exterior construction ranging in size from 1,004 to 1,113 square feet of living area. The homes range in age from 66 to 70 years old. Each comparable has a full basement, with two of these having finished area, 1 or 1½ bathrooms, and a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$18,079 to \$19,330 or from \$16.92 to \$18.01 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, and #5 due to substantial differences from the subject in age or foundation type.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and the board of review comparables are overall more similar to the subject in location, design/class code, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$10,275 to \$19,330 or from \$9.15 to \$18.01 per square foot of living area. The subject's improvement assessment of \$16,773 or \$15.07 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and

after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
