

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Henner
DOCKET NO.: 22-49397.001-R-1
PARCEL NO.: 03-18-410-024-0000

The parties of record before the Property Tax Appeal Board are John Henner, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,801
IMPR.: \$27,882
TOTAL: \$36,683

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,329 square feet of living area. The dwelling is 55 years old. Features of the home include a basement with finished area,¹ central air conditioning, a fireplace and a 2-car garage. The property has a 9,779 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.60 of a mile from the subject property. The comparables consist of class 2-34, multi-level dwellings of frame and masonry

¹ The board of review disclosed the subject's basement has finished area, which was unrefuted by the appellant.

exterior construction ranging in size from 1,329 to 1,540 square feet of living area. The dwellings are from 55 to 60 years old. The dwellings each have a basement, with "N/A" disclosed for the finished area, and 1 or 2 fireplaces. Three comparables each have central air conditioning, and four comparables have either a 1-car, a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$22,382 to \$26,392 or from \$16.60 to \$17.60 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The appellant submitted a copy of the Cook County Board of Review final decision disclosing the subject has a total assessment of \$36,683. The subject has an improvement assessment of \$27,882 or \$20.98 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood and block as the subject property. One comparable is located along the subject's same street. The comparables consist of class 2-34, multi-level dwellings of frame and masonry exterior construction ranging in size from 1,078 to 1,319 square feet of living area. The comparables are from 55 to 57 years old. The dwellings each have a basement with finished area and either a 1-car, a 1.5-car or a 2-car garage. Three comparables each have central air conditioning. The comparables have improvement assessments ranging from \$23,386 to \$28,224 or from \$21.40 to \$23.28 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4 and #5 as well as the board of review comparables #2, #3 and #4 due to differences in their dwelling size and/or a lack of central air conditioning or a garage amenity when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are relatively similar to the subject in location, design, age, dwelling size and most features. These two comparables have improvement assessments of \$25,043 and \$28,224 or \$17.08 and \$21.40 per square foot of living area, respectively. The subject's improvement assessment of \$27,882 or \$20.98 per square foot of living area is bracketed by the two best comparables in the record. After considering adjustments to the two best comparables for differences in features from the subject, the Board finds the appellant did not demonstrate with

clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
