

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maggie Tong
DOCKET NO.: 22-49405.001-R-1
PARCEL NO.: 03-19-205-030-0000

The parties of record before the Property Tax Appeal Board are Maggie Tong, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,699
IMPR.: \$20,419
TOTAL: \$27,118

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,135 square feet of living area. The dwelling is 64 years old. Features of the home include a partial basement, 2 bathrooms and a 1.5-car garage. The property has a 9,240 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.31 to 0.91 of a mile from the subject.¹ The comparables consist of class 2-03, 1-story dwellings of masonry exterior

¹ The appellant's comparables are located in different tax block according to the PINs beginning with #03-19-102, #03-19-105 or #03-19-211 in contrast to the subject's PIN beginning with #03-19-205.

construction ranging in size from 1,040 to 1,315 square feet of living area. The dwellings are from 63 to 66 years old. Each comparable has a partial or full basement, either 1, 1½ or 2 bathrooms, 1 or 2 fireplaces and a 1.5-car or a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$15,000 to \$18,728 or from \$12.93 to \$14.98 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The appellant submitted a copy of the Cook County Board of Review final decision disclosing the total assessment for the subject property of \$27,118. The subject property has an improvement assessment of \$20,419 or \$17.99 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the same assessment neighborhood and tax block as the subject.² Two comparables are also located along the same street as the subject property. The comparables consist of class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,135 to 1,142 square feet of living area. The dwellings are each 64 years old. Each comparable has a partial or full basement, either 1½ or 2 bathrooms, and a 1-car garage. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$20,656 to \$24,073 or from \$18.09 to \$21.21 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #4 which are less similar to the subject in location, dwelling size and/or present central air conditioning, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1, #2 and #3. These comparables are given greater weight because they are located within the same assessment neighborhood and tax block as the subject, and two comparables are also located along the same street as the subject. These comparables are also identical or nearly identical to the subject in design, age, dwelling size, foundation type and most features. These three comparables have improvement assessments ranging from \$20,656 to \$24,073 or from

\$18.18 to \$21.21 per square foot of living area. The subject's improvement assessment of \$20,419 or \$17.99 per square foot of living area falls below the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
