

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edry Vanderkelen
DOCKET NO.: 22-49839.001-R-1
PARCEL NO.: 03-34-303-019-0000

The parties of record before the Property Tax Appeal Board are Edry Vanderkelen, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,580
IMPR.: \$24,120
TOTAL: \$32,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,453 square feet of living area. The dwelling is approximately 65 years old. Features of the home include a partial basement with finished area, central air conditioning, a fireplace and a 2-car garage. The property has an 8,580 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.67 of a mile from the subject. The comparables consist of class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,320 to 1,619 square feet of living area. The dwellings are from 66 to 74

years old. One comparable has a full basement with "N/A" disclosed for finished area, and four comparables each have a crawl space foundation. Three comparables each have central air conditioning, each comparable has 1 or 2 fireplaces, and four comparables have a 2-car garage. The comparables have improvement assessments ranging from \$15,400 to \$19,300 or from \$11.61 to \$12.38 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$32,700. The subject property has an improvement assessment of \$24,120 or \$16.60 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and within the subject's block or approximately ¼ of a mile from the subject. The comparables consist of class 2-03, 1-story or 1.5-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,263 to 1,400 square feet of living area. The dwellings are from 62 to 72 years old. Each comparable has a full basement, with two having finished area, and either a 1-car, a 2-car or a 2.5-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$23,740 to \$27,156 or from \$17.46 to \$21.50 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables which lack a basement foundation or a garage amenity, both of which are features of the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables. These comparables overall are most similar to the subject in location, age, dwelling size and have a basement foundation and garage, like the subject. These four comparables have improvement assessments ranging from \$23,740 to \$27,156 or from \$17.46 to \$21.50 per square foot of living area. The subject's improvement assessment of \$24,120 or \$16.60 per square foot of living area falls within the range established by the best comparables in the record on an overall basis and below the range on a per square foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
