

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Hemmati
DOCKET NO.: 22-49972.001-R-1
PARCEL NO.: 03-10-308-033-0000

The parties of record before the Property Tax Appeal Board are Kevin Hemmati, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,587
IMPR.: \$25,412
TOTAL: \$35,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 1,827 square feet of living area. The dwelling is 38 years old. Features of the home include a partial basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 9,625 square foot site and is located in Wheeling, Wheeling Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the subject's assessment neighborhood and from .02 of a mile to 1.6 miles from the subject. The comparables consist of 2-story class 2-07 dwellings of frame exterior construction ranging in size from 1,822 to 1,846 square feet of living area. The homes are either 36 or 38 years old. Each dwelling has central air

conditioning, a fireplace, and a 2-car garage. Three comparables each have a full basement and one comparable has a crawl-space foundation. The parcels range in size from 7,020 to 7,500 square feet of land area. The comparables sold from January 2019 to December 2020 for prices ranging from \$265,000 to \$333,000 or from \$143.55 to \$181.18 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$30,337, for an estimated market value of \$303,370 or \$166.05 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the board of review final decision disclosing the total assessment for the subject of \$35,999. The subject's assessment reflects a market value of \$359,990 or \$194.85 per square foot of living area, land included, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood, two of which are within .25 of a mile of the subject. The comparables consist of 2-story class 2-07 dwellings of frame or frame and masonry exterior construction ranging from 1,426 to 1,952 square feet of living area. The dwellings are 30 to 40 years old. Each dwelling has a partial basement, central air conditioning, a fireplace, and a 2-car garage. One comparable is reported to have "other improvements," which were not further described. The parcels range in size from 5,346 to 9,135 square feet of land area. The comparables sold from June 2021 to August 2022 for prices ranging from \$330,000 to \$396,000 or from \$170.81 to \$246.22 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives reduced weight to the comparables submitted by the appellant, which differ from the subject in location, foundation, and/or sold less proximate to the January 1, 2022 assessment date at issue. The Board finds the comparables presented by the board of review sold proximate to the assessment date at issue and are similar to the subject in age, dwelling size, and features. These comparables sold from June 2021 to August 2022 for prices ranging from \$330,000 to \$396,000 or from \$170.81 to \$246.22 per square foot of living area, including land. The subject's assessment reflects a market value of \$359,990 or \$194.85 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after

considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
