

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stuart Schwartz
DOCKET NO.: 22-50047.001-R-1
PARCEL NO.: 03-17-413-001-0000

The parties of record before the Property Tax Appeal Board are Stuart Schwartz, the appellant(s), by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,281
IMPR.: \$23,219
TOTAL: \$34,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 2,334 square feet of living area. The dwelling was 46 years old. Features of the home include a full basement, central air conditioning, a fireplace and a two-car garage. The property has a 10,256 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The property is a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$345,000 as of January 1, 2022. The appraisal was prepared by a certified real estate appraiser with an MAI designation who used the sales comparison approach to valuation. The appraiser conducted an inspection of the property on September 26, 2023. The appraiser considered the highest and

best use of the property to be its current use. The appellant submitted the Cook County Board of Review 2022 Assessed Valuations decision which indicates a total assessment for the subject property of \$44,999.

Under the sales comparison approach, the appraiser utilized six comparable sales located within 0.6-mile radius of the subject property. The comparable properties sites ranged in size from 8,432 to 11,250 square feet of land area and from 1,980 to 3,019 square feet of living area. The properties are each improved with a class 2-78 dwelling of masonry or frame and masonry construction that were from 43 to 54 years old. The comparable properties sold from January 2020 to December 2021 for prices ranging from \$324,000 to \$407,500 or from \$131.49 to \$172.22 per square foot of living area, land included in the sales prices. The appraiser then adjusted for size, basement, functional utility, porch/patio/deck, finishes, view, and condition. The appraiser concluded that based on the sales data and applying adjustments to the comparable sales for differences from the subject, the subject had a market value of \$345,000. Based on this evidence the appellant is seeking a reduction in the subject's assessment to reflect the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,000. The Board relies on the submission by the appellant reflecting the total assessment of \$44,999. The subject's assessment reflects a market value of \$449,990 or \$192.80 per square foot of living area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four class 2-78 comparable sales properties which are located in the same subarea as the subject and which sold from September 2020 to July 2022 for sales prices from \$517,500 to \$649,925 or from \$206.03 to \$240.98 per square foot of living area, land included in the sales prices. These properties were from 44 to 48 years old and had from 2,398 to 2,697 square feet of living area. Based on this evidence the board of review requested conformation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the appellant submitted what appears to be a credible appraisal report with reasonable and logical adjustments for differences from the subject which was not challenged by the board of review. The four comparable sales presented by the board of review lacked adjustments for significant differences when compared to the subject property. The subject's current assessment reflects a market value of \$449,990, which is higher than the appraised value of \$345,000. Based on the evidence presented, the Board finds the subject property is

overvalued and a reduction commensurate with the appellant's request is warranted. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
