

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Candace Achterberch
DOCKET NO.: 22-50433.001-R-1
PARCEL NO.: 24-18-308-003-0000

The parties of record before the Property Tax Appeal Board are Candace Achterberch, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,575
IMPR.: \$9,328
TOTAL: \$12,903

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 1,229 square feet of living area. The dwelling is approximately 70 years old. Features of the home include a full unfinished basement and a 2-car garage. The property has a 7,150 square foot site and is located in Worth, Worth Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables that have the subject's same assessment neighborhood code and are located from 0.30 to 0.90 of a mile from the subject. The comparables consist of class 2-03 dwellings of frame or masonry exterior construction ranging in size from 1,118 to 1,343 square feet of living area. The dwellings are each 68 years old. The comparables each have a full basement and a 2-car garage.

Two comparables each have a fireplace. The comparables have improvement assessments ranging from \$8,431 to \$10,152 or from \$7.54 to \$7.70 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$9,328 or \$7.59 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,256. The subject property has an improvement assessment of \$10,681 or \$8.69 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables that are located within the same assessment neighborhood code and subarea as the subject. Comparable #2 is located in Worth, Illinois, the same as the subject property, and comparables #1, #3 and #4 are located in Chicago Ridge, Illinois. The comparables consist of class 2-03 dwellings of frame and masonry exterior construction ranging in size from 1,015 to 1,072 square feet of living area. The dwellings are 56 to 63 years old. Two comparables have full unfinished basements, and two comparables have crawl space foundations. Three comparables each have central air conditioning, and each comparable has a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$9,917 to \$13,119 or from \$9.66 to \$12.93 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the board of review comparables which differ from the subject in age, foundation type, and/or have a central air conditioning, unlike the subject. Furthermore, three of the board of review comparables are located in the village of Chicago Ridge, Illinois, unlike the subject that is located in the village of Worth, Illinois.

The Board finds the best evidence of assessment equity to be the appellant's comparables which are most similar to the subject in location, age, dwelling size, and foundation type. These four comparables have improvement assessments ranging from \$8,431 to \$10,152 or from \$7.54 to \$7.70 per square foot of living area. The subject's improvement assessment of \$10,681 or \$8.69 per square foot of living area falls above the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
