

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ionka Dimitrov  
DOCKET NO.: 22-50725.001-R-1  
PARCEL NO.: 03-05-311-025-0000

The parties of record before the Property Tax Appeal Board are Ionka Dimitrov, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,753  
**IMPR.:** \$23,246  
**TOTAL:** \$29,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 1,400 square feet of living area. The dwelling is approximately 53 years old. Features of the home include a partial basement, central air conditioning, and a 2-car garage. The property has a 7,504 square foot site and is located in Buffalo Grove, Wheeling Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.33 of a mile from the subject. The comparables consist of class 2-03, 1-story dwellings of frame exterior construction ranging in size from 1,275 to 1,648 square feet of living area. The dwellings are from 52 to 54 years old.

Two comparables each have a crawl space foundation, and three comparables each have a full or partial basement. Three comparables each have central air conditioning. Each comparable has 1 or 2 fireplaces and either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$15,979 to \$22,062 or from \$12.53 to \$13.64 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The appellant submitted a copy of the Cook County Board of Review final decision disclosing the total assessment for the subject property of \$29,999. The subject property has an improvement assessment of \$23,246 or \$16.60 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and on the same block, three of which are also along the same street as the subject property. The comparables consist of class 2-03, 1-story dwellings of frame exterior construction with each having 1,400 square feet of living area. The dwellings are from 52 to 54 years old. Each comparable has a full or partial basement, one of which has finished area. Three comparables each have central air conditioning. Each comparable has a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$24,246 to \$27,169 or from \$17.32 to \$19.41 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables which are less similar to the subject in dwelling size and/or foundation type than other comparables in this record.

The Board finds the best evidence of assessment equity to be the board of review's comparables. These comparables are identical or nearly identical to the subject in location, design/class, age, dwelling size, foundation type and some features. The best comparables have improvement assessments ranging from \$24,246 to \$27,169 or from \$17.32 to \$19.41 per square foot of living area. The subject's improvement assessment of \$23,246 or \$16.60 per square foot of living area falls below the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
