

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Judith Ginzburg
DOCKET NO.: 22-50732.001-R-1
PARCEL NO.: 04-06-404-039-0000

The parties of record before the Property Tax Appeal Board are Judith Ginzburg, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,947
IMPR.: \$42,053
TOTAL: \$62,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 2,790 square feet of living area. The dwelling is approximately 52 years old. Features of the home include a partial basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 13,298 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and within 0.5 of a mile from the subject property. The comparables are improved with class 2-04 dwellings of masonry exterior construction ranging in size from 2,618 to 3,018 square feet of living area. The

comparables are 49 to 54 years old. Each comparable has a partial basement, central air conditioning, a fireplace and a 2-car garage. The comparables have improvement assessments that range from \$37,100 to \$40,615 or from \$13.32 to \$14.17 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$38,251.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,000. The subject property has an improvement assessment of \$42,053 or \$15.07 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood and the same block as the subject property. Three comparables are also located along the same street as the subject. The comparables are improved with class 2-04, 1-story or 1.5-story dwellings of masonry or frame and masonry exterior construction ranging in size from 2,518 to 3,018 square feet of living area. The homes are 52 or 54 years old. Each comparable has a partial or full basement with one having finished area, central air conditioning, a fireplace, and a 2-car or a 2.5-car garage. The comparables have improvement assessments that range from \$38,022 to \$50,484 or from \$15.07 to \$16.73 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the board of review comparable #4 due to its dissimilar design when compared to the subject dwelling.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review comparables #1, #2, and #3 which are relatively similar to the subject in location, design, age, dwelling size and most features. These comparables have improvement assessments ranging from \$37,100 to \$50,484 or from \$13.32 to \$16.73 per square foot of living area. The subject's improvement assessment of \$42,053 or \$15.07 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
