

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Angelo Paraskevopoulos  
DOCKET NO.: 22-50947.001-R-1  
PARCEL NO.: 03-25-404-024-0000

The parties of record before the Property Tax Appeal Board are Angelo Paraskevopoulos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,658  
**IMPR.:** \$26,812  
**TOTAL:** \$35,470

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of frame exterior construction with 1,568 square feet of living area. The home is approximately 54 years old. Features include a partial basement with finished area, 2 full and 1 half bathrooms, central air conditioning, 2 fireplaces and a 2-car garage. The property has a 9,620 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristics printouts, on seven comparables located within the same assessment neighborhood and street as the subject and within 0.12 of a mile from the subject. The comparables consist of class 2-34, multi-level dwellings of frame or frame and masonry exterior

construction ranging in size from 1,267 to 2,085 square feet of living area. The homes are 53 to 59 years old. The homes have partial basements with finished area, 1½, 2 or 2½ bathrooms, 1 or 2 fireplaces, and either a 1½-car or a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$19,165 to \$28,952 or from \$13.59 to \$15.80 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$23,316 or \$14.87 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$35,470. The subject property has an improvement assessment of \$26,812 or \$17.10 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood and block as the subject. The comparables consist of class 2-34 multi-level dwellings of frame exterior construction ranging in size from 1,488 to 1,600 square feet of living area. The homes are 55 to 59 years old. The homes have partial basements with finished area, 2 or 2½ bathrooms, central air conditioning and a 2-car garage. Two comparables have 1 half bathrooms, and two comparables have a fireplace. The comparables have improvement assessments ranging from \$27,810 to \$30,859 or from \$17.72 to \$19.61 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #4 and #7 which are less similar to the subject in dwelling size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #5 and #6 as well as the board of review's comparables which are overall most similar to the subject in location, dwelling size, age, foundation type and most features. These five comparables have improvement assessments ranging from \$21,520 to \$30,859 or from \$13.64 to \$19.61 per square foot of living area. The subject's improvement assessment of \$26,812 or \$17.10 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences in features from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
