

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANTS: Sheena Velazquez and Eric N Pabon  
DOCKET NO.: 22-51394.001-R-1  
PARCEL NO.: 03-30-310-004-0000

The parties of record before the Property Tax Appeal Board are Sheena Velazquez and Eric N Pabon, the appellants, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,971  
**IMPR.:** \$62,029  
**TOTAL:** \$70,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of masonry exterior construction with 2,516 square feet of living area. The dwelling is approximately 12 years old. Features of the home include a full basement, central air conditioning, 2 fireplaces and a 2-car garage. The property has a 7,971 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on seven comparables located within the subject's assessment neighborhood and within 0.41 of a mile from the subject. The comparables consist of class 2-78, 2-story dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 2,583 to 3,589 square feet of living area. The

dwellings are 4 to 22 years old. Each comparable has a full basement, central air conditioning, 2 fireplaces and either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$47,550 to \$83,433 or from \$18.41 to \$23.25 per square foot of living area. Based on this evidence, the appellants requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,000. The subject property has an improvement assessment of \$62,029 or \$24.65 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the subject's assessment neighborhood and with the subject's subarea or approximately ¼ of a mile from the subject. The comparables consist of class 2-78, 2-story dwellings of frame or masonry exterior construction ranging in size from 2,805 to 3,150 square feet of living area. The dwellings are 3 to 10 years old. Each comparable has a full basement, central air conditioning, a fireplace and either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$74,895 to \$95,750 or from \$25.26 to \$31.75 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables #1, #2, #3, #4 and #6 as well as the board of review comparables #1, #2 and #3 due to their considerably larger dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, age, dwelling size and other features. These three comparables have improvement assessments ranging from \$47,550 to \$74,895 or from \$18.41 to \$26.70 per square foot of living area. The subject's improvement assessment of \$62,029 or \$24.65 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex

Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
