

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pete Peroulas
DOCKET NO.: 22-51417.001-R-1
PARCEL NO.: 03-34-216-024-0000

The parties of record before the Property Tax Appeal Board are Pete Peroulas, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,763
IMPR.: \$56,237
TOTAL: \$69,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 3,590 square feet of living area. The dwelling is 14 years old. Features of the home include a full basement, central air conditioning, two fireplaces and a 3-car garage. The property has a 12,763 square foot site and is located in Mount Prospect, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on eight comparables located within the subject's assessment neighborhood and within 0.2 of a mile from the subject. The comparables consist of class 2-78, 2-story dwellings of frame or frame and masonry exterior construction ranging in size from 2,010 to 3,112 square feet of living area. The dwellings are 36

to 63 years old. Seven comparables have a partial or full basements, two of which have finished area, and comparable #8 has a crawl space foundation. Each comparable has central air conditioning, one or two fireplaces and from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$28,040 to \$39,160 or from \$11.09 to \$15.04 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,000. The subject property has an improvement assessment of \$56,237 or \$15.66 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood and subarea as the subject. The comparables consist of class 2-78, 2-story dwellings of masonry exterior construction ranging in size from 3,203 to 3,750 square feet of living area. The dwellings are 16 to 24 years old. Each comparable has a full basement, one of which has finished area, central air conditioning, a fireplace and from a 2-car to a 3-car garage. The comparables have improvement assessments ranging from \$52,850 to \$58,740 or from \$15.66 to \$16.50 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of twelve equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables along with the board of review's comparable #2 which are less similar to the subject in dwelling size than the other comparables in the record, lack basement finish, which the subject features, or has a crawl space foundation, in contrast to the subject's full basement.

The Board finds the best evidence of assessment equity to be the board of review comparables #1, #3 and #4 which are overall most similar to the subject in location, design/class, age, dwelling size and other features. These three comparables have improvement assessments ranging from \$55,296 to \$58,740 and of either \$15.66 or \$16.00 per square foot of living area. The subject's improvement assessment of \$56,237 or \$15.66 per square foot of living area falls within the range established by the best comparables in the record on an overall basis and matches board of review comparables #1 and #3 with lowest improvement assessments on a per-square-foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
