

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Neiman Partners, Inc.
DOCKET NO.: 22-52430.001-R-1
PARCEL NO.: 20-29-403-003-0000

The parties of record before the Property Tax Appeal Board are Neiman Partners, Inc., the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,437
IMPR.: \$10,512
TOTAL: \$12,949

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,110 square feet of living area and is approximately 98 years old. Features include a full basement and 1½ bathrooms. The property has a 3,750 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on six equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 1-story, class 2-03 dwellings of masonry exterior construction ranging in size from 1,012 to 1,280 square feet of living area. The comparables range in age from 101 to 114 years old. Five comparables each have a full basement and one comparables has a slab

foundation. Each comparable has from 1 to 2 bathrooms. Two comparables each have a fireplace. Four comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$2,520 to \$3,250 or from \$2.31 to \$2.54 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,950. The subject property has an improvement assessment of \$10,512 or \$9.47 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 1-story, class 2-03 dwellings of masonry exterior construction ranging in size from 1,008 to 1,064 square feet of living area. The comparables range in age from 96 to 98 years old. Each comparable has a full basement and 1 or 1½ bathrooms. Two comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$12,582 to \$13,725 or from \$12.38 to \$12.90 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3, #5, and #6 as well as board of review comparables #1 and #2 which differ from the subject in foundation type or garage amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 and board of review comparable #3 which are similar to the subject in location, class, foundation type, age, and most features. The two best comparables have improvement assessments of \$2,534 and \$13,725 or \$2.50 and \$12.90 per square foot of living area, respectively. The subject's improvement assessment of \$10,512 or \$9.47 per square foot of living area is bracketed by the two best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
