

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jonathan Roberts
DOCKET NO.: 22-52714.001-R-1
PARCEL NO.: 04-33-310-007-0000

The parties of record before the Property Tax Appeal Board are Jonathan Roberts, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,343
IMPR.: \$66,696
TOTAL: \$78,039

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of masonry construction with 3,360 square feet of living area. Features of the dwelling include two and one-half baths, a full finished basement, and one fireplace. The dwelling was constructed in 2010. The property has a 10,312 square foot site and is located in Glenview, Northfield Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three sale comparables. The three sale comparables sold from June 2022 to December 2022 for prices ranging from \$171.90 to \$220.28 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$61,833.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$78,040. The subject's assessment reflects a market value of

\$780,400 or \$232.26 per square foot of living area including land, when applying the 2022 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of the assessment, the board of review submitted four sale comparables. The four sale comparables sold from November 2020 to June 2022 for prices ranging from \$261.29 to \$304.71 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparables #1 and #3. These comparables sold for prices ranging from \$171.90 to \$304.71 per square foot of living area, including land. The subject's assessment reflects a market value of \$232.26 per square foot of living area including land, which is within the range established by the best comparable sales in this record. After considering all the comparables submitted by the parties with emphasis on those properties that are more proximate in location, more similar in size, and with similar features relative to the subject and after further considering adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
