

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Weilandt
DOCKET NO.: 22-53081.001-R-1
PARCEL NO.: 04-13-110-041-0000

The parties of record before the Property Tax Appeal Board are Mark Weilandt, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,035
IMPR.: \$64,964
TOTAL: \$86,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,676 square feet of living area. The dwelling is approximately 60 years old. Features of the home include a partial basement, central air conditioning, 2 fireplaces and a 2.5-car garage. The property has a 24,484 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three comparables located within the same assessment neighborhood as the subject and within 0.69 of a mile from the subject property. The comparables consist of class 2-78, 2-story dwellings of stucco or masonry exterior construction ranging in size from 3,015 to 3,360 square feet of living area. The

homes are from 37 to 43 years old. Each comparable has a partial or full basement with “0” reported for the finished basement area, central air conditioning, 1 or 3 fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$48,751 to \$56,785 or from \$16.17 to \$16.90 per square foot of living area. Based on this evidence, the appellant requested the subject’s improvement assessment be reduced to \$60,617 or \$16.49 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision for the 2022 tax year disclosing the total assessment for the subject of \$86,999. The subject property has an improvement assessment of \$64,964 or \$17.67 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three comparables located within the same assessment neighborhood as the subject and within the subject’s same block or approximately ¼ of a mile of the subject property. The comparables consist of class 2-78, 2-story dwellings of frame and masonry exterior construction ranging in size from 3,417 to 3,498 square feet of living area. The homes are from 51 to 61 years old. Two comparables have a slab or a crawl space foundation, and one comparable has a partial basement. Each comparable has central air conditioning, 1 or 2 fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$60,557 to \$70,136 or for \$17.72 and \$20.05 per square foot of living area. Based on this evidence, the board of review requested the subject’s assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six equity comparables for the Board’s consideration. The Board gives less weight to the appellant’s comparables which are considerably less similar to the subject in design, dwelling size and age than the board of review comparables.

The Board finds the best evidence of assessment equity to be the board of review’s comparables. These comparables are overall most similar to the subject in location, design, dwelling size, age and some features, except two of the dwellings lack a basement, unlike the subject. These three comparables have improvement assessments ranging from \$60,557 to \$70,136 or for \$17.72 and \$20.05 per square foot of living area. The subject's improvement assessment of \$64,964 or \$17.67 per square foot of living area falls within the range established by the best comparables in the record on an overall basis and below them on a per-square-foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the

appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
