

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Wasikowski
DOCKET NO.: 22-53186.001-R-1
PARCEL NO.: 04-26-103-023-0000

The parties of record before the Property Tax Appeal Board are David Wasikowski, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,400
IMPR.: \$62,781
TOTAL: \$77,181

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,073 square feet of living area. The dwelling is approximately 53 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a 2.5-car garage. The property has a 14,400 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the subject's assessment neighborhood and from .81 of a mile to mile or 1.17 miles from the subject. The comparables consist of 2-story class 2-78 dwellings of frame and masonry exterior construction ranging in size from 3,146 to 3,502 square feet of living

area. The homes range in age from 48 to 51 years old. Each dwelling has central air conditioning, one or two fireplaces, a partial basement, and a 2-car garage. The comparables have improvement assessments ranging from \$61,347 to \$74,992 or from \$19.49 to \$21.50 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$62,781 or \$20.43 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$91,225. The subject property has an improvement assessment of \$76,825 or \$25.00 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood, three of which are within the same block as the subject. The comparables consist of 2-story class 2-78 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,748 to 3,674 square feet of living area. The homes are either 31 or 50 years old. Each dwelling has central air conditioning, one or two fireplaces, and a 2-car, 3-car, or 3.5-car garage. Three comparables each have a full basement, one of which has finished area, and one comparable has a concrete slab foundation. The comparables have improvement assessments ranging from \$61,473 to \$81,044 or from \$20.21 to \$26.32 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant pointed out differences between the board of review comparables and the subject in age, dwelling size, or exterior construction.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of eight equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #3 and #4 as well as board of review comparable #2, which differ from the subject in dwelling size. The Board also gives less weight to board of review comparables #3 and #4, which differ from the subject in age or foundation.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 along with board of review comparable #1, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$61,347 to \$72,328 or from \$19.49 to \$26.32 per square foot of living area. The subject's improvement assessment of \$76,825 or \$25.00 per square foot of living area is above the range established by the best comparables in this record overall and within the range on a per-square-

foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
