

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Abramson
DOCKET NO.: 22-53599.001-R-1
PARCEL NO.: 04-10-116-012-0000

The parties of record before the Property Tax Appeal Board are Scott Abramson, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,627
IMPR.: \$73,601
TOTAL: \$83,228

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,375 square feet of living area. The home is approximately 5 years old. Features include a full basement, central air conditioning, one fireplace, and a 2-car garage. The property has a 7,406 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-78 dwellings of frame exterior construction ranging in size from 2,189 to 2,831 square feet of living area. The homes are either 6 or 17 years old. Each comparable has a full or partial basement, central air conditioning, one or two fireplaces, and a 2-

car garage. The comparables have improvement assessments ranging from \$61,250 to \$75,446 or from \$25.84 to \$29.47 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$65,288.

The appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$83,228. The subject has an improvement assessment of \$73,601 or \$30.99 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-78 dwellings of frame exterior construction ranging in size from 2,135 to 3,121 square feet of living area. The homes range in age from 1 to 7 years old. The comparable each have a full basement, central air conditioning, and a 2-car garage. One comparable has one fireplace. The comparables have improvement assessments ranging from \$75,438 to \$112,980 or from \$32.16 to \$36.20 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

In written rebuttal, the appellant pointed out the difference in dwelling size (living area) between the subject property and board of review comparable #4.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 as well as board of review comparable #4 due to substantial differences from the subject in age or dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 as well as board of review comparables #1, #2, and #3 which are similar to the subject in location, design/class, age, dwelling size, and other features. These comparables have improvement assessments ranging from \$73,794 to \$75,856 or from \$29.47 to \$35.38 per square foot of living area. The subject's improvement assessment of \$73,601 or \$30.99 per square foot of living area falls below the range established by the best comparables in this record on an overall basis and within the range on a per square foot basis. After considering the adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
