FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: JARED MARGOLIS
DOCKET NO.: 22-53861.001-R-1
PARCEL NO.: 04-11-403-035-0000

The parties of record before the Property Tax Appeal Board are JARED MARGOLIS, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$62,472
IMPR.:	$17,528
TOTAL:	$80,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 79,279 square foot site. It is improved with a 50-year-old, two-story, single-family dwelling of masonry construction, containing 10,048 square feet of living area. The subject property is located in Northbrook, Northfield Township, Cook County and is classified as class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on March 31, 2020, for $800,000, the sale did not occur between family members, was sold by owner, and was advertised for sale with the multiple listing service for a period of four months. The appellant submitted copies of a Warranty Deed, Purchase and Sale Agreement, and Settlement Statement that includes listing agent commission

and seller's attorney's fees paid. The appellant also submitted a copy of the board of review's written decision reflecting its final total assessment for the subject property of $146,232. Based on this evidence, the appellant requested a reduction in the subject's assessment to $80,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total valuation assessment for the subject property of $146,234. The subject property's valuation assessment reflects a market value of $1,462,340, or $145.54 per square foot of living area, when using the Cook County Real Property Assessment Classification Ordinance for class 2 property of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four suggested comparables. Each comparable was improved with a two-story, single-family residence of either frame, masonry, or frame and masonry construction. The comparables ranged from 4,112 to 8,318 square feet of living area. Three of the board of review's sales comparables sold between February 2020 and February 2022 for prices ranging from $1,593,000 to $2,310,000, or from $216.30 to $387.40 per square foot of living area, including land. The board of review included information in its grid analysis indicating the subject property sold in April 2020 for $800,000, or $79.62 per square foot of living area.

This matter was set to proceed to hearing. Prior to hearing, the parties submitted a written request to waive hearing and for this matter to be written on the evidence previously submitted. The administrative law judge granted the parties' request.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair, voluntary sale where the owner is ready, willing, and able to sell but is not compelled to do so, and the buyer is likewise ready, willing and able but is not forced to do so. *Chrysler Corp. v. State Property Tax Appeal Bd.* 69 Ill. App. 3d 207.

The Board finds the best evidence of market value to be the sale of the subject property submitted by the appellant and the board of review for $800,000. The appellant completed Section IV- Recent Sale Data, in its Appeal Form indicating the subject property sold on March 31, 2020, for $800,000, the sale did not occur between family members, was sold by owner, and was advertised for sale with the multiple listing service for a period of four months. The appellant submitted copies of a Warranty Deed, Purchase and Sale Agreement, and Settlement Statement that includes listing agent commission and seller's attorney's fees paid. Based on this record the Board finds the subject property had a market value of $800,000 as of January 1, 2022. Since market value has been determined, a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
