

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: PATRICK HEERY  
DOCKET NO.: 22-53862.001-R-1  
PARCEL NO.: 18-04-420-011-0000

The parties of record before the Property Tax Appeal Board are PATRICK HEERY, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,688  
**IMPR.:** \$30,512  
**TOTAL:** \$35,200

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 7,500 square foot parcel of land improved with a 96-year-old, two-story, stucco, single-family dwelling containing 1,872 square feet of building area. The property is located in La Grange, Lyons Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, appellant submitted copies of the warranty deed printout and the multiple listing service database which disclosed the subject was purchased on November 22, 2021, for \$352,000. The petition discloses that the transfer was not between related parties, that the property was sold with assistance of a realtor, advertised on the multiple listing service for 24 days, and that the property was not sold due to a foreclosure or for a contract for deed. In

support of the equity argument, the appellant submitted five comparables. These properties have improvement assessments from \$15.39 to \$15.97 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$36,026 with an improvement assessment of \$31,338 or \$16.74 per square foot of building area. The total assessment reflects a market value of \$360,260 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four comparables. These properties have improvement assessments from \$17.20 to \$20.95 per square foot of building area. They sold from November 2020 to August 2021 for prices ranging from \$271.20 to \$324.68 per square foot of building area. The board of review also listed the sale of the subject in November 2021 for \$352,000.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the only evidence of market value to be the purchase of the subject property in November 2021 for a price of \$352,000. The appellant submitted evidence of the sale of the subject with involvement of a realtor and the board of review did not show the sale was not at arm's-length. Moreover, the board of review included this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$352,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. The Board further finds that after a reduction based on market value, the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
