

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas A. Goldrick
DOCKET NO.: 22-54334.001-R-1
PARCEL NO.: 25-18-309-026-0000

The parties of record before the Property Tax Appeal Board are Thomas A. Goldrick, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,292
IMPR.: \$29,707
TOTAL: \$40,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 2,179 square feet of living area. The dwelling is approximately 113 years old. Features of the home include an unfinished full basement, a fireplace and a 2-car garage. The property has an 11,887 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties that are located within the same neighborhood code as the subject. The comparables are improved with 2-story dwellings of frame or masonry exterior construction ranging in size from 1,800 to 2,100 square feet of living area. The dwellings range in age from

97 to 119 years old and have full or partial basements. The appellant did not disclose whether the comparables' basements were unfinished or had finished basement area. Three comparables have either one or two fireplaces and two comparables have either a 1-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$15,004 to \$25,182 or from \$8.34 to \$11.99 per square foot of living area. Based on this evidence the appellant requested that the subject's improvement assessment be reduced to \$23,468 or \$10.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The subject has a total assessment of \$40,999. The subject property has an improvement assessment of \$29,707 or \$13.63 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparable properties that are located within the same neighborhood code as the subject. The comparables are improved with 2-story dwellings of masonry exterior construction ranging in size from 2,012 to 2,183 square feet of living area. The dwellings range in age from 87 to 98 years old. The comparables have unfinished full or partial basements, a fireplace, and from a 1-car to a 2.5-car garage. One comparable has central air conditioning. The comparables have improvement assessments ranging from \$29,712 to \$33,875 or from \$13.82 to \$16.18 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparable #2, as well as the board of review's comparables #1, #2 and #4. The best comparables have varying degrees of similarity to the subject. These comparables had improvement assessments that ranged from \$21,875 to \$33,875 or from \$11.06 to \$16.18 per square foot of living area. The subject's improvement assessment of \$29,707 or \$13.63 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. The Board gave less weight to the appellant's remaining comparables, due to their smaller dwelling size and/or their lack of a garage when compared to the subject. The Board gave less weight to the board of review's comparable #3, due to its central air conditioning feature when compared to the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
