

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ali Dalkilic
DOCKET NO.: 22-54549.001-R-1
PARCEL NO.: 17-03-228-024-1047

The parties of record before the Property Tax Appeal Board are Ali Dalkilic, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,075
IMPR.: \$17,425
TOTAL: \$20,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a single condominium unit, with approximately 1,250 square feet of living area, in a sixty-five-year-old high-rise condominium building in North Chicago Township, Chicago, Cook County. The property has 1.145% ownership interest in the common elements of the building and is classified as 2-99 under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on September 12, 2022, for \$205,000 or \$164 per square foot. The appellant indicates that the sale did not occur between family members or related companies, was sold through a realtor and was listed on the multiple listing service (MLS) for 35 days. The appellant submitted a copy of the closing statement showing a

commission paid to the realtor and legal fees paid to the buyer's attorney and the seller's attorney. The appellant also submitted a print-out of the MLS listing showing that it was listed from July 16 to August 19, 2022. Based on this evidence, the appellant requests an assessed value of \$20,500.

The board of review submitted its "Board of Review Notes on Appeal" stating the total valuation assessment for the subject property as \$28,097 including an improvement assessment of \$25,023. The valuation assessment reflects a market value of \$280,970 when applying the 10% Cook County Real Estate Classification Ordinance assessment for class one properties, or \$224.78 per square foot. In support of its contention of the correct assessment, the board of review submitted a condominium analysis estimating the full market value of the entire building as \$24,503,349. The analysis applies the subject's percentage ownership interest of 1.1467% to conclude that the market value of the subject property is \$280,980.

The Board conducted a hearing on the appellant's petition by teleconference on August 27, 2026. The appellant was represented by his attorney Jessica Hill-Magiera and the board of review was represented by Mario Casciaro and John Lartz. Mr. Casciaro argued that the sale of the subject property did not represent the market value because there were outstanding homeowners' association due on the property, the seller was out-of-state and it was a cash transaction.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of a recent sale or appraisal of the subject property, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Property Tax Appeal Board (PTAB) finds the appellant *did meet* this burden of proof.

The Board finds that the best evidence of market value to be the September 12, 2022, sale of the subject property for a price of \$205,000. The sale did not occur between family members or related companies and the property was listed on the MLS for thirty-four days and both parties were represented by attorneys. There is no evidence in the record regarding delinquent homeowner's association dues owed on the property. Based on this record the Board finds that the subject property had a market value of \$205,000. The Board finds that the market value established by the purchase price is below the assessment and therefore a reduction in the subject's assessment *is* appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
