

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anargyros Antonakos  
DOCKET NO.: 22-55360.001-R-1  
PARCEL NO.: 04-21-313-003-0000

The parties of record before the Property Tax Appeal Board are Anargyros Antonakos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,355  
**IMPR.:** \$42,644  
**TOTAL:** \$59,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 2,800 square feet of living area. The dwelling is approximately 51 years old. Features of the home include a basement, central air conditioning, a fireplace and a 2-car garage. The property has an approximately 12,397 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 9,720 to 11,439 square feet of land area and are improved with 2-story class 2-78 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,856 to 3,461 square

feet of living area. The homes range in age from 17 to 50 years old. Each comparable has a basement, central air conditioning, two fireplaces and a 2-car garage. The properties sold from June 2020 to May 2022 for prices ranging from \$410,000 to \$677,500 or from \$138.33 to \$196.08 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$49,374 which reflects a market value of \$493,740 or \$176.34 per square foot of living area, land included, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision disclosing the total assessment for the subject of \$59,999. The subject's assessment reflects a market value of \$599,990 or \$214.28 per square foot of living area, land included, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 12,410 to 16,883 square feet of land area and are improved with 2-story class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,855 to 3,641 square feet of living area. The homes range in age from 48 to 53 years old. Each comparable has a basement, central air conditioning, one fireplace and from a 2-car to a 3-car garage. Comparable #4 has "other improvements" which are not further described. The comparables sold from May to October 2022 for prices ranging from \$635,077 to \$969,500 or from \$222.44 to \$274.02 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gives less weight to appellant comparables #1, #2 and #3 along with board of review comparables #1, #3 and #4 which differ from the subject in age, dwelling size and/or sold in 2020, less proximate to the January 1, 2022 assessment date at issue.

The Board finds the best evidence of market value to be appellant comparable #4 and board of review comparable #2 which are more similar to the subject in location, age, design, dwelling size, site size and features. These two comparables sold in May 2021 and June 2022 for prices of \$504,000 and \$635,077 or \$175.18 and \$222.44 per square foot of living area, land included. The subject's market value of \$599,990 or \$214.28 per square foot of living area, land included is bracketed by the two best comparables in this record. After considering appropriate adjustments

to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
