

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ABC Turnkey Prop LLC Series N  
DOCKET NO.: 22-55377.001-R-1  
PARCEL NO.: 20-28-308-005-0000

The parties of record before the Property Tax Appeal Board are ABC Turnkey Prop LLC Series N, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,780  
**IMPR.:** \$12,220  
**TOTAL:** \$16,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story, multi-family building of masonry exterior construction with 3,114 square feet of building area. The building is approximately 121 years old. Features include a full basement with finished area and a 2-car garage. The property has a 5,040 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristic printouts, on three equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 2,704 to 2,964 square feet of

building area. The buildings range in age from approximately 109 to 124 years old. Each comparable has a full basement and either a 2-car or a 2.5-car garage. Two comparables each have two fireplaces. The comparables have improvement assessments ranging from \$3,375 to \$9,220 or from \$1.16 to \$3.11 per square foot of building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$7,287 or \$2.34 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,000. The subject property has an improvement assessment of \$12,220 or \$3.92 per square foot of building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the subject's assessment neighborhood code. The comparables are improved with 2-story or 3-story, class 2-11 multi-family buildings of masonry exterior construction ranging in size from 2,904 to 3,203 square feet of building area. The buildings range in age from 16 to 116 years old. Three comparables each have a full basement and one comparable has a concrete slab foundation. Three comparables each have central air conditioning. Each comparable has either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$14,220 to \$17,220 or from \$4.70 to \$5.93 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested equity comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellant's comparable #3 as well as board of review comparables #1, #2, and #4 which are more similar to the subject in location, design, age, and building size with varying degrees of similarity in other features. These four comparables have improvement assessments ranging from \$9,220 to \$17,220 or from \$3.11 to \$5.93 per square foot of building area. The subject's improvement assessment of \$12,220 or \$3.92 per square foot of building area falls within the range established by the best comparables in this record. The Board gives less weight to the appellant's #1 which has an improvement assessment that is significantly lower than the other comparables in this record, thus, making this comparable an outlier. The Board gives less weight to the appellant's comparable #2 which is significantly smaller in size than the subject. The Board also gives less weight to board of review comparable #3 which has a dissimilar 3-story design when compared to the subject's 2-story design, as well as being significantly newer in age than the subject and lacking a basement foundation, which is a feature of the subject. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
