

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ABC Turnkey Prop LLC Series P  
DOCKET NO.: 22-55382.001-R-1  
PARCEL NO.: 20-28-310-010-0000

The parties of record before the Property Tax Appeal Board are ABC Turnkey Prop LLC Series P, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,813  
**IMPR.:** \$9,892  
**TOTAL:** \$12,705

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story multi-family building of masonry exterior construction with 2,450 square feet of gross building area. The dwelling is approximately 123 years old. Features of the home include an unfinished basement, 2 bathrooms and a 2-car garage.<sup>1</sup> The property has an approximately 3,750 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis and property characteristic printouts on three equity comparables that are located in the same assessment neighborhood code as the subject property. The printouts depict the comparables are improved

<sup>1</sup> The board of review described the subject building as having an unfinished basement, which was not refuted by the appellant.

with class 2-11, 2-story multi-family buildings of masonry exterior construction that range in size from 2,488 to 2,912 square feet of gross building area. The dwellings range in age from 100 to 125 years old. Each comparable has a basement with finished area, 3 bathrooms and a 2-car garage. Two comparables each have either a 1-car or a 2-car garage. The comparables have improvement assessments that range from \$3,375 to \$7,456 or from \$1.16 to \$2.76 per square foot of gross building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$4,314 or \$1.57 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,706. The subject property has an improvement assessment of \$9,893 or \$3.60 per square foot of gross building area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The board of review reported that the comparables are improved with class 2-11, 2-story multi-family buildings of masonry exterior construction that each contained 2,748 square feet of gross building area. The dwellings range in age from 121 to 125 years old. Each comparable has an unfinished basement and 2 bathrooms. Two comparables each have either a 1.5-car or a 2-car garage. The comparables have improvement assessments that range from \$13,188 to \$15,188 or from \$4.80 to \$5.53 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables due to their greater bathroom count or finished basements, when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables. The Board finds that these comparables are most similar to the subject in location, age, bathroom count, design, dwelling size and some features. These most similar comparables have improvement assessments ranging from \$13,188 to \$15,188 or from \$4.80 to \$5.53 per square foot of gross building area. The subject's improvement assessment of \$9,893 or \$3.60 per square foot of gross building area, falls below the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
